

# T-BOX SHORT REFERENCE-LIST

## WATER DISTRIBUTION AND WATER SEWAGE

<b>C.I.L.E.</b> , Liège, Belgium	Telecontrol of remote reservoirs, Pumping stations and water-towers through PSTN and cable TV
<b>I.N.A.S.E.P.</b> , Gembloux, Belgium	Local and remote Automation of water sewage and effluent treatment
<b>A.I.V.E.</b> , Arlon, Belgium	Telecontrol of Water Distribution and Water Sewage plants
<b>SCHWARZBACH VERBAND</b> , Kahrlsruhe, Germany	Telecontrol of Water Distribution and Water Sewage plants
<b>SOGEA</b> , Troyes, France	Remote control of Water sewage plants
<b>CORPORATE DYNAMICS SDN BHD</b> , Kota Kinabalu, Sabah, Malaysia	Control and monitoring of water filtration galleries at Moyog water treatment plant
<b>PINAN</b> , Hönö, Sweden	Nitrogen reduction for the client Purac belonging to Anglian Water
<b>DEYA PAROU</b> , Paros Island, Greece	Remote alarming and SCADA for the water distribution and waste water collection networks of the island
<b>I.P.A.L.E.</b> , Leuze, Belgium	Local Automation and remote alarming of Water Sewage plants
<b>KP VELENJE</b> , Velenje, Slovenia	Supervising and monitoring of drinking water plants; communication on iFix SCADA using OPC.
<b>R.E.M.</b> , Ouarzazate, Morocco	Local Automation and remote alarming of a Water Sewage plant
<b>PBA</b> , Pulau Pinang, Malaysia	Local Automation and remote alarming of a Water Sewage plant – PMR radio communication with 41 plants
<b>WATERSCHAP VAN LEI EN EEM</b> , Amersfoort, The Netherlands	Remote sending of turbidity parameters by radio modems
<b>SEABO</b> , Bologna, Italy	Remote control of water distribution and sewage plants
<b>RESA</b> , Germany	Remote control of water distribution and sewage plants
<b>I.B.W.</b> , Lasne, Belgium	Local Automation of Water sewage plants
<b>GOULBURN+ MURRAY Rivers Water Authority</b> , Melbourne, Australia	Telecontrol of Water Distribution and Water Sewage plants through radio modems
<b>WATER BOARD OF NAKORN SRI</b> , Thammarat, Thailand	Remote Control of Water Distribution Plants, Radio Communication
<b>AIR KELANTAN CHICHA WATER SUPPLY</b> , Kelantan, Malaysia	Remote control of wellfields, reservoirs and treatment plants via radio communication
<b>D.U.C.C.</b> , Chambéry, France	Remote control of Water Distribution plants through PMR radio modems
<b>MAUS POMPENBOUW</b> , 'S Hertogenbos, The Netherlands	Remote control of Water pumps
<b>DEYA AGIOU NIKOLAOU</b> , Agios Nikolaos, Crete Island, Greece	Local automation, remote alarming and SCADA for waste water pumphouses
<b>WATERSCHAP VELUWE</b> , Apeldoorn, The Netherlands	Remote Monitoring of sewers by GSM
<b>ZUIVERINGSCHAP LIMBURG</b> , The Netherlands	Remote control of Water pumps - connection to Siemens S5 and S7 PLC
<b>S.W.D.E.</b> , Verviers, Belgium	Local Automation of Water Distribution plants
<b>INTERCOMMUNALE DE BOEVANGE</b> , Boevange, Luxemburg	Local Automation of Water Distribution Plants
<b>SEDAPAL</b> , Lima, Peru	Local Automation and remote control of Water Distribution plants (radio links)
<b>T.M.V.W.</b> , Gent, Belgium	Protocol Interfacer with Flowmeters, Datalogging and Alarming on various Water Distribution centers
<b>MUNICIPALITY OF LITHORO</b> , Katerini, Greece	Control of water distribution network with remote SCADA
<b>ENTREPOSE MONTALEV</b> , Nouméa, New Caledonia	Remote control by radio of water reservoirs
<b>ARA</b> , St-Gallen, Switzerland	Remote control of Reservoirs
<b>S.W.D.E.</b> , Charleroi, Verviers, Liège,... Belgium	Local Automation of Water Distribution plants
<b>JKR AIR KEDAH TENGAH</b> , Sg Petani, Kedah, Malaysia	Remote control and monitoring of reservoirs and pump houses via GSM and PSTN
<b>A.I.D.E.</b> , Liège, Belgium	Telecontrol of Water sewage plants through PSTN
<b>MWA</b> , Bangkok, Thailand	Remote Control of Water Distribution Plants
<b>VLAAMSE MILIEU MAATSCHAPPIJ</b> , Oostende, Belgium	Local Control of the biggest Water sewage plant of Belgium
<b>MUNICIPALITY OF SIDIROKASTRO</b> , Sidirokastro, Greece	Remote alarming of water filtration processes
<b>R.E.J.</b> , Junglister, Luxemburg	Local Automation and remote control of Water Distribution plant
<b>AKROTIRI Water Distribution</b> , Akrotiri, Cyprus	Local Automation and remote control of Water Distribution plant
<b>ENDRESS+HAUSER</b> , Basel, Switzerland	Remote control of Water Distribution plants

<b>PERBADANAN URUS AIR SELANGOR BERHAD</b> , Kuala Lumpur, Malaysia	Remote control and monitoring of reservoirs and pump houses via radio communication
<b>MACEIDO CAVALEIROS</b> , Lisboa, Portugal	Remote control of Water Distribution plants
<b>WATER BOARD OF LEMESOS</b> , Cyprus	Remote control of Water Distribution plants by GSM
<b>CANAL DE LA BOURNE</b> , St-Marcel-les-Valence, France	Remote Control of water rivers height
<b>GIVAT-HAIM KIBUTZ</b> , Israël	Local Control for main electricity distribution system project + generator + SMS alarming system
<b>PERBADANAN BEKALAN AIR (PBA)</b> , Pulau Pinang, Malaysia	Remote control and monitoring of reservoirs and water treatment plant for Sg Dua water supply scheme via radio communication and LAN
<b>REGIA DEL AGUA DEL MARESAS</b> , Maresas, Spain	Local Automation and remote control of Water Distribution plants
<b>VLAAMSE MAATSCHAPIJ VOOR WATERVOORZIENING</b> , Kooigem, Belgium	Remote Control and local automation of pumping stations

## ELECTRICITY

<b>ELECTRABEL</b> , Brussels, Evergem, Strépy,... Belgium	Remote Control of High Voltage Cabins
<b>PT. INDONESIA POWER</b> , Indonesia	Telemetry and monitoring for energy transactions from various power plants
<b>INTERCOMMUNALE DE SALLANCHES</b> , Sallanches, France	Remote Control of Low voltage Cabins
<b>ELEKTRIZITÄTSWERK HOPFGARTEN</b> , Austria	Remote control of water power plants, Ethernet communication
<b>KVUZAT – YAVNE</b> , Israël	Local control for 13 main electrical high voltage stations + TCP/IP communication to 6-7 computers with HTML + SMS alarming system + 10 big generators controlled.
<b>ENECO NETDIENSTEN</b> , Rotterdam, The Netherlands	Remote control of HS stations
<b>SENELEC</b> , Dakar, Senegal	Remote control and Automation of secondary centers
<b>NETSEENERGY – EDF</b> , France	Energy counters measurement with FTP reporting
<b>D.E.I.</b> , Hellenic Electricity Corporation, Thessaloniki, Greece	Supervisory control of high voltage substations using GSM and leased lines
<b>EDF</b> , France	Remote control of different strategic electricity production centers
<b>PROJET SENEGALO-NIPPON D'ENERGIE SOLAIRE</b> , Dakkar, Senegal	Remote Control of Electricity Solar Central stations by radio frequency link
<b>BAUXITE DE GUINÉE</b> , Guinea	Remote processing and Totalisation of 24 electricity meters
<b>NORELEC</b> , Naniyuki, Kenya	Remote Control of generating units
<b>JAKARTA ELECTRICITY COMPANY</b> Jakarta, Indonesia	Remote Control of Electricity production centers
<b>SCHNEIDER ELECTRIC</b> , Jeumont-Schneider, France	Remote control of Electricity Transformers for maintenance personnel – GSM communication
<b>LABORELEC</b> , Linkebeek, Belgium	Energy management system
<b>TELEGYR</b> , Milan, Italy	Remote Control of Electricity production centers
<b>EON</b> , Germany	Energy management system with email reporting
<b>PERTAMINA KAMOJANG</b> , West java, Indonesia	Automation and telemetry for geothermal steam production
<b>RÄMNINGE KRAFTVERK</b> , Sweden	Supervision and Controlling of water power station with Web features and SMS alarming
<b>ELECTRICITY OF LESVOS</b> , Isle of Lesvos, Greece	Remote control via Internet of wind mills electricity generators

## GAS MANAGEMENT

<b>GAZ DE FRANCE</b> , France	Remote control and Supervision of Gas Distribution plants (transport)
<b>EGT PE PETRONAS</b> , Gebeng, Kuantan, Malaysia	Remote control of Gas turbines plants (producing ammoniac) at Centralized Utilities Facilities (CUF)
<b>ESTA Elektrik ve Elektronik AS</b> , Turkey	Gas level visualization of LPG tanks for service stations and factories (Aygaz project)
<b>DISTRIGAZ</b> , Belgium	Remote control and Supervision of Gas Volume counters
<b>TRANSGAS</b> , Lisboa, Portugal	Datalogging and Alarming with low power devices

<b>PETRONAS GAS BERHAD</b> , Gebeng, Kuantan, Malaysia	Remote control and monitoring of gas turbines at Centralized Utility Facilities (CUF) Gebeng via serial link
<b>GTS</b> , Germany	Energy management system
<b>TRUE ABILITY GAS</b> , Changzhou, P. R. China	Remote control and Supervision of Gas Distribution plants
<b>KOREA GAS COMPANY</b> , Suksu, Korea	Turbine gas metering : volume and energy remote metering
<b>SONELGAZ</b> , Alger, Algeria	Remote control and Supervision of Gas Distribution plants
<b>GAZ DU SUD-OUEST</b> , Pau, France	Datalogging and Alarming

## BUILDING AUTOMATION

<b>ARCHIVES DE L'ETAT</b> , Luxemburg	Control and Supervision of Air quality and Humidity
<b>EMPLOYEES PROVIDENT FUND (EPF) HQ Building</b> , Kuala Lumpur, Malaysia	Control and monitoring of water distribution with GSM
<b>PETROFINA</b> , Brussels, Belgium	Control of lifts & temperature systems (hot/cold)
<b>MARZOUK AL-MARZOUK</b> , Kuwait	Lift and Fire Monitoring
<b>UNIVERSITY OF BUENOS AIRES</b> , Argentina	Remote Control of Air conditioning Systems
<b>COMMERZBANK</b> , Luxemburg	Remote Control of Air conditioning Systems
<b>ELTECO</b> , Porsgrunn, Norway	Building Management
<b>GOVERNMENT OF DUBAI- DEVELOPMENT BOARD</b> , Dubai, UAE	Detection of crucial alarms: Fire, Lift, Rotating equipment, Air Conditioning, electrical Fault, Water distribution etc. for more than 150 buildings
<b>EXHIBITION HALL</b> , Zürich, Switzerland	Alarm Management of fire systems through GSM & SMS messaging
<b>AE DENMARK</b> , Hadsten, Denmark	Building Management
<b>SCHLUMBERGER</b> , Brussels, Belgium	Energy Consumption, Heating
<b>HOTEL PULLMANN</b> , Luxemburg	Fire Detection
<b>C.R.M.</b> , Liège, Belgium	Heating and Access Control
<b>EUROCONTROL</b> , Haren, Belgium	Access control and Supervision of gate entries
<b>S.T.I.B./M.I.V.B.</b> , Brussels, Belgium	Interfaces with various fire control devices including remote measurement
<b>CAISSE DES PENSIONS-C.P.E.P.</b> , Luxemburg	Building Management with lighting automation and stores automation
<b>UNION REAL ESTATE</b> , Koweit City, Koweit	Remote monitoring of critical points in a residential areas for alarms. Interface to video cameras for real time video transfer over PSTN
<b>U.L.B.</b> , Brussels, Belgium	Fire control of various buildings including remote alarming
<b>St MARIAZIEKENHUIS</b> , Halle, Belgium	Protocol Interface for access control equipment and Fire central system in Hospital
<b>AHUAT BAIT SHOPING-CENTER / DEPARTMENTS 3 TOWERS</b> , Israël	Local control + SMS alarming + fire and smoke system control
<b>B&amp;J REGELSYSTEMEN</b> , Papendrecht, The Netherlands	Remote control of various techniques in building automation for maintenance purposes
<b>SERVICE INCENDIE DE BRUXELLES</b> , Brussels, Belgium	Building automation techniques for the Brussels Fire Brigade
<b>EMIRATES TRADING AGENCY</b> , Dubai, UAE	District Cooling : remote control of water differential pressure transmitters
<b>AÉROPOLE DE CHARLEROI</b> , Charleroi, Belgium	Remote control of various techniques: access control, intrusion, fire control
<b>TEC</b> , Liège, Belgium	Protocol interface with alarming devices
<b>REHABILITATION HOSPITAL</b> , Zihlschlacht, Switzerland	Alarming on Natel Pagers for access control systems
<b>WORMALD</b> , Brussels, Belgium	Protocol Interface on fire detection systems
<b>INFOCONTROL</b> , Buenos Aires, Argentina	Local control of various techniques with alarming
<b>AYALON – AZRIELY SHOPING-CENTER</b> , Israël	Local control + SMS alarming + fire and smoke system control
<b>EUROPAY</b> , Waterloo, Belgium	Local control of Electrical High Voltage cabinets

MAIRIE DE ST-LAURENT-DE-MURES, Lyon, France

Local and Remote control of the Municipality Function Room including access control, air conditioning, noise control, fire detection, lighting, ...

## HEATING

SOCGRAM, Le Mans, France

Remote control and PID regulation of heating groups

I.M.P., Ciney, Belgium

Heating Control with datalogging and alarming

SOCGRAM, Melun, France

Remote control and PID regulation of heating groups

GIE EVRY, Paris, France

Building automation techniques

FONTENAY, France

Regulation of the heating and remote control of 91 buildings

## TANK MONITORING

BASF, Finland

Remote monitoring level and temperature of Acrylonitrile silos with SAAB radar level sensors

PT. RHODIA INDOLATEX, Tjiwi Kimia, Indonesia

Remote monitoring of latex production plant and tanks

KRUSE, Germany

Level control of chemical storage tanks

AKZO NOBEL, Melbourne, Australia

Remote monitoring of level of chemical tanks

## UTILITIES

CNR (Compagnie Nationale du Rhône), France

Remote control of signalling on unloading platforms (radio communication)

S.T.I.B./M.I.V.B., Brussels, Belgium

Automation of the Displays for Metro locations

HARBOUR OF TRELLEBORG, Sweden

linkspann shiplanding system for the client Boddy Hydraulics

DWR, Hilversum, The Netherlands

Remote control of locks

S.T.I.B./M.I.V.B., Brussels, Belgium

Video Matrix automation interface

LAB, Lausanne, Switzerland

Air Pollution Control

COURLY, Lyon, France

Streetlights Supervision

DE LIJN, Antwerpen, Belgium

Remote control of Fire Central systems in subway stations

V.R.T., Brussels, Belgium

Video matrix interface and supervision of TV emitters

BRUSSELS Airport, Belgium

Interface with Fire central systems

T.E.C., Charleroi, Belgium

Telecontrol of video camera in the subway

TUNNEL DE MILLAU, Millau, France

Tunnel Automation (lightning) with remote Minitel access

PARIS Airport, Aéroport du Bourget, France

Remote control (by radio) of climatization of the airport landing strips.

ESR, Erpe-Mere, Belgium

Remote control of traffic lights by radio frequency

S.B.B., Olten, Switzerland

Remote control of rail heating system

SWEDEN (Malmö)-DENMARK (Copenhagen) Tunnel

Remote Control of audio switching matrix

SAN BERNARDINO TUNNELS, Switzerland

Lighting control of 15 tunnels via Ethernet connection and PSTN redundancy

MET, Haute Sambre, Belgium

Level control with alarming of locks

SNCB, Ans-Köln, Belgium-Germany

Tele-signalling of the TGV express train line.

SNCF, Paris, France

Fast datalogging with alarming of servo-engines for rail-switchings

## INDUSTRIAL WATER

UNIMETAL, Mondelange, France

Supervision of the local water sewage plant in Steel Industry

RHODIA, Ribecourt, France

Remote control and alarming of latex tanks, calculations of consumptions

**ERPAC**, Wasquehal, France

**GOTHMAR**, Sweden

**FLOWTRONIC**, Welkenraedt, Belgium

**SOLAC**, Marseille, France

## SWIMMING POOLS

**AQUAPRO**, Ciney, Belgium

**LES TRITONS**, Evere, Belgium

## INDUSTRY

**GALVAMETAUX**, Huy, Belgium

**YEDIOT-AHARONOT**, Israël

**FLOTTWEG**, Vilsbiburg, Germany

**BUSCH**, Woerden, The Netherlands

**USF WALLACE ET TIERNAN**, Trappes, France

**F.I.B.**, Brussels, Belgium

**SOLVAY**, Tavaux, France

**SIAM CITY CEMENT PUBLIC COMPANY LTD**, Saraburi, Thailand

**ONDULINE**, Yainville, France

**AKZO NOBEL DIOSYNTH**, Oss, The Netherlands

**MARICHAL KETIN**, Liège, Belgium

**INTERLAC**, Belgium

**ECIA-Groupe PSA (PEUGEOT)**, Audincourt, France

**TAREC**, Antwerp, Belgium

**NOKIA**, Finland

**Von ROLL Infratec SA**, Gerlafingen, Switzerland

**HYDRO ASA**, Porsgrunn, Norway

**DOW CHEMICALS**, Instambul, Turkey

**STAHL**, St-Clair-du Rhône, France

**CATERPILAR**, Dublin, Ca., USA

**MEDOCHEMIE**, Cyprus

**SWIFT ADHESIVES**, Lamia, Greece

**SOKOTAB**, Plovdiv, Bulgaria

## ENVIRONMENT

**GEMEENTE ECHT**, Echt, The Netherlands

**SMETJET**, Hasselt, Belgium

**OSL**, Luxemburg

**PHA ENVIRONMENTAL RESTORATION, INC.**,  
U. S. Naval Air Station, Jacksonville, Florida - USA

Telecontrol of industrial water

Hatchery control of waterparameters for cod cultivation

Flow meter data-logging with sophisticated calculations

Telecontrol of industrial water (Steel Industry)

Telecontrol of Chloride, pH and temperature information

Telecontrol of Chloride, pH and temperature information

Automation and remote control of steel machinery equipment

Data collection and Alarming control in a newspaper factory + Bar-Code control for fast recognize and fast sending packages to different-outdoors in "Yediot-Aharonot

Monitoring of mobile Separators

Remote control of vacuum installation

Protocol interface for Industrial Filtration

Remote control of foundry ovens

Remote control and telemetry of pickling brine collecting centers

Cement Plants Process Simulator

Local automation with specific Datalogging for paper-panel manufacturing

Local control of chemical process and alarming by SMS

Automation of a steel process with connections to several Regulators

Electricity consumption control with delesting periods

Remote counting of various energies (water, gas, electricity)

Protocol interface with weighing machines

Remote measurement of pressures from air filters for industrial vacuum cleaners

Equipment for skilift and wintersport systems

Manufacturer of industrial engines – remote control by GSM of transportsystem with integrated weighing

Remote level control of tanks via SMS

Alarming management of Ink Coloring systems

Automation and remote alarming of industrial power generators

Alarming system for pharmaceutical plant producing Cephalosporin

Control of production line, SCADA and reporting using TCP/IP

Tobacco Processing Industry. Remote control of a RS-485 and Ethernet network with 1 energy analyzer, 4 weight belt controllers, 4 PLCs and 26 inverters

Remote control of sewers

Automation and remote control of ground de-pollution

Leak detection and fire control into garbage containers

Monitoring of groundwater and soil cleanup system operation to report system faults and maintenance requirements

**WATERSCHAP GROOT SALLAND**, Zwolle, The Netherland  
**INTERCOMMUNALE DE LA WOLUWE**, Brussels, Belgium  
**DISTRICT DEPARTMENT OF SWITZERLAND**, Chur, Zwitserland  
**SWEDISH NATURE PROTECTION DEPARTMENT**, Sweden  
**THIES WATER**, Australia  
**WATCO**, Belgium  
**THIES**, Gippsland, eastern Victoria, Australia

Monitoring of river water levels  
Mobile Station for the control of water storm overflows  
Remote surveillance of avalanches  
temperature monitoring of lakes (20 meter deep & at surface)  
Flood control  
Automation, Datalogging and alarming on mobile soil treatment plants  
Monitoring of river water levels

## FARMING & IRRIGATION

**CORBOY**, Merrigum, Central Victoria, Australia  
**NEVROKOPI IRRIGATION AUTHORITY**, Nevrokopi, Greece  
**NUTSBEDRIJF WESTLAND**, Poeldijck, The Netherlands  
**JABATAN PENGAIRAN DAN SALIRAN**, Tumpat, Kelantan, Malaysia  
**SENTEK**, Sidney, Australia  
**WOODLANDS**, Shepparton, Central Victoria, Australia  
**MUNICIPALITY OF ABU DHABI**, UAE  
**RAMAT-YOHANAN KIBUTZ, KISHOR KIBUTZ, REGBA KIBUTZ, NATOOR KIBUTZ, KALIA KIBUTZ, BARKAI KIBUTZ**, Israël

9 x TBOX LP-300 control irrigation of 1600 Acres of apples, plums, apricots using radio network. Also monitoring weather conditions and soil moisture affecting the irrigation schedules and pump controls  
Remote control and telemetry using radio modems for 21 water pumps, 4 water tanks and 1 valve control station  
Reote monitoring of heating for greenhouses by GSM  
Remote control and monitoring of food control and irrigation scheme via GSM and PSTN  
Soil moisture monitring systems. Radio based soil moisture sensing networks and radio based irrigation control market  
TBOX LP-300 control irrigation of 600 Acres of apples, plums, apricots using radio network. Also monitoring weather conditions and soil moisture affecting the irrigation schedules and pump controls  
Remote control of 65 irrigation farms  
Local automation and alarming by SMS of poultry houses

## OIL

**COPAREX CHAMPAGNE**, Montmirail, France  
**SHELL**, Marseille, France  
**ESSO**, Rotterdam, Holland  
**ELF PETROLAND**, Harlingen, The Netherlands  
**PETRONAS PENAPISAN SDN BHD**, Sg Udang, Melaka, Malaysia  
**BANIAS OIL LOADING TERMINAL**, Syria

Remote control of oil pumping stations  
Monitoring of poyethylene pipes + full redundand comm. (radio + PSTN)  
Regulation and monitoring of LPG gas tanks and production reservoirs  
Remote control of fuel tanks by ISDN  
Remote monitoring of Electrical Control Systems via serial link.  
Remote Control of oil pumpstations of 5000 Tons / hour capacity

## MEDICAL

**S.F.E.C.**, Lyon, France  
**SKYMED**, Verviers, Belgium  
**SEREMBAN GENERAL HOSPITAL**, Seremban, Malaysia  
**PT. MALIDAS STERILINDO**, Indonesia  
**CLB-De Nederlandse Bloedbank**, Amsterdam, The Netherland  
**MAGNEX**, U.K.  
**ASTRA -ZENECA**, Gothenburg, Sweden  
**HAMILTON MEDICAL**, USA

Alarm control of human blood dialyze systems  
Supervision & Datalogging of air pollution (PPM) in blood particle processes  
Control and monitoring of patient alert system at Royal Ward  
Temperature and pressure monitoring for talk sterilization process  
Remote monitoring of sterilization process and alrming by SMS  
Remote monitoring and datalogging of various superconducting magnets for medical scanners  
Salt separation system  
Remote alarming of high-end intensive care ventilator

# COLD

**GENESE**, Lyon, France

Automation and remote control of high pressure heating machines with redundancy control

**EFESSOS SLAUGHTERHOUSE**, Katerini, Greece

Control and data acquisition for refrigeration chambers

**COVEE**, Flanders, Belgium

Air and temperature Control of Fridge's

**FRIGITHERM**, Lille, France

Temperature Control of Cold Installations

**CASINO**, Villefontaine, Kempes, ..., France

Telecontrol of electricity and refrigeration parameters with satellite communication with the Central Station

**KERRY FOODS**, Ireland

Refrigeration control and monitoring system

**MAMMOUTH**, La-Croix-St-Ouen

Temperature Control of cold installations (network of 44 RM10)

**ICA**, Sweden

Temperature logging via radio including WEB server features

**DELHAIZE**, Belgium

Air and temperature Control of Fridge's

# TELECOM

**SPANISH TELECOM – UNIZ**, Spain

Remote control of Base station emitters

**FRANCE TELECOM**, Lyon, France

Remote control of GSM feeders

**BELGACOM**, Brussels, Belgium

Electricity counters sent periodically by email

**ORANGE CARAIBES**, Caribbean Islands

Remote control of GSM feeders by radio with control via TBOX Web server features

# SOLAR

**CITY OF KOBLENZ**, Germany

Monitoring of Solar Power stations

**CNRS**, Perpignan, France

Regulation and remote control of UPS charged by photovoltaic solar panels

# VARIOUS

**NTF Constructions Co.**, Istanbul, Turkey

Follow-up of big trucks. GPS Positioning and some truck knowledge

**CODEX'PRESS**, France

Bar-code reading and upload of daily reports of unsold newspapers in Press-shops

**MALAYSIAN AIR FORCE BASE**, Labuan, Malaysia

Control and monitoring of automatic military aircraft washing system

**PRIVATE PROPERTY MANAGEMENT (ROYAL PROPERTY)**, Abu Dhabi, UAE

Local control of Hi-Temp alarms, Water Pressure and ambient measurements with alarming via GSM for Falconry installations (breeding & training)

**Dijitek Industrial Electronics and Eng. Co.**, Ankara, Turkey

Leakage visualization of water tanks in ships.
